Specialized in Industrial Filtration since 1990

Nordic Air Filtration is a high technology filter manufacturer supplying filters for resellers and OEMs throughout the world. We supply more than 20.000 filters for OEM air filter systems annually. With a range of more than 4.000 different filters, Nordic Air Filtration provides air filtration solutions for various industries and dust types, including abrasive, toxic and explosive dust.

At our production site in Denmark, our highly skilled R&D department ensures certified high quality products and in line with our primary goal: To continuously develop innovative solutions that increase performance and reduce cost for our customers. Nordic Air Filtration has since 1998 been part of Midwesco Filter Resources Inc. – a global provider of Industrial Air Filtration solutions.
